

**IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF MISSOURI
SOUTHWESTERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

No. 16-05048-01-CR-SW-RK

JAMES E. LARUE,

Defendant.

PLEA AGREEMENT

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. **The Parties.** The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Thomas M. Larson, Acting United States Attorney, and Casey Clark, Assistant United States Attorney, and the defendant, James E. LaRue ("the defendant"), represented by Ann Koszuth, Assistant Federal Public Defender.

The defendant understands and agrees that this plea agreement is only between him and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. **Defendant's Guilty Plea.** The defendant agrees to and hereby does plead guilty to Count 2 of the Indictment, charging him with a violation of 21 U.S.C. § 924(c), that is, possession of a firearm in furtherance of a drug trafficking crime. The defendant agrees to and hereby does plead guilty to Count 3 of the Indictment charging him with a violation of 21 U.S.C. §§ 841(a)(1),

(b)(1)(C), and 846, that is, attempting to commit the offense of manufacturing a mixture or substance containing a detectable amount of methamphetamine. The defendant further agrees to and hereby does plead guilty to Count 4 of the Indictment, charging him with a violation of 21 U.S.C. § 841(c)(2), that is, possession of pseudoephedrine knowing that it would be used to manufacture methamphetamine. By entering into this plea agreement, the defendant admits that he knowingly committed these offenses, and is, in fact, guilty of these offenses.

3. **Factual Basis for Guilty Plea.** The parties agree that the facts constituting the offenses to which the defendant is pleading guilty are as follows:

On or about December 15, 2015, in Jasper County, in the Western District of Missouri, the defendant, JAMES E. LARUE, did knowingly possess a firearm, that is, a Springfield Armory, model XD-40, .40 caliber firearm, bearing serial number US164079, in furtherance of a drug trafficking crime for which he may be prosecuted in a court of the United States, that is, attempt to manufacture methamphetamine, as alleged in Count 3, in violation of Title 18, United States Code, Section 924(c)(1)(A).

On or about December 15, 2015, in Jasper County, in the Western District of Missouri, the defendant, JAMES E. LARUE, knowingly and intentionally attempted to commit the offense of manufacturing a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance, in violation of Title 21, United States Code, Sections 841(a)(1) and 846.

On or about December 15, 2015, in Jasper County, in the Western District of Missouri, the defendant, JAMES E. LARUE, knowingly and intentionally possessed pseudoephedrine, a listed chemical as defined in Title 21, United States Code, Section 802, knowing and having reasonable cause to believe that the listed chemical would be used to manufacture methamphetamine, a Schedule II controlled substance, in a manner other than as authorized by Title 21, United States Code, Sections 801 through 971, all in violation of Title 21, United States Code, Section 841(c)(2).

On December 15, 2015, members of the Ozarks Drug Enforcement Task Force (“Task Force”), including Detective (“Det.”) Joseph Houdyshell, executed a search warrant at the residence of the defendant, James E. LaRue, located at 1202 Murphy, Joplin, Jasper County, Missouri. This residence was located within the Western District of Missouri. Upon arriving at the residence, Det. Houdyshell contacted the defendant. After advising the defendant of his *Miranda* rights, the

defendant stated he had drug paraphernalia and around a gram of methamphetamine in the house. Members of the Task Force located paraphernalia and suspected methamphetamine in the house.

Task Force members located two vehicles in the back yard of the residence. Det. Abbott searched a black Chrysler and located chemicals and items in the vehicle that Det. Houdyshell believed were part of a methamphetamine lab. Dets. Houdyshell and Walker searched a black Nissan Truck. The defendant told the officers the location of the keys to the truck, as it was locked. The officers retrieved the keys and, as they were preparing to open the truck, the defendant made a spontaneous statement that there were more methamphetamine lab items in the truck, as well as a gun. The officers opened the door to the truck and located more chemicals and items consistent with a methamphetamine lab. The officers also located a gun in a pocket of a coat found in the truck. The defendant stated that the coat was his. Det. Houdyshell identified the gun as a "Springfield Armory, XD 40 caliber pistol."

Officers ran the firearm through NCIC/MULES and information showed that the firearm was reported as stolen from Joplin on November 17, 2015.

As a part of the execution of the search warrant of the house and the two vehicles, officers located the following:

- a. 204 tablets of pseudoephedrine;
- b. 68 rounds of .40 caliber ammunition;
- c. 100-gram Weigh Max Digital Scales;
- d. Springfield Armory, model XD-40, .40 caliber firearm, bearing serial number US164079;
- e. Red powder from coffee filter (suspected red phosphorous);
- f. Red powder from Zip-Lock baggy (suspected red phosphorous);
- g. Silver powder from pill bottle (suspected iodine crystals);
- h. Can with numerous Zip-Lock baggies;
- i. Snickers tin with two baggies of white powdery substance (suspected methamphetamine);
- j. Multiple glass pipes with white residue;
- k. Two diazepam pills;
- l. Ten feet of green 1/4 inch tubing;
- m. Three feet of 3/8 inch tubing with red stains;
- n. 200 "Brew-Rite" coffee filters;
- o. 18-ounce can of Drano crystals, with approximately ten ounces in the can;
- p. 32-ounce container of Kingsford lighter fluid, with approximately 12 ounces in the container;
- q. 32- ounce bottle of hydrogen peroxide, with 24 ounces in the bottle;
- r. 250 mL glass flask;

- s. Red multipurpose funnel; and
- t. Three digital scales.

Det. Houdyshell stated that the suspected methamphetamine was field tested, which resulted in a positive result. However, he stated that the seized suspected methamphetamine was of a quantity not significant enough to send for further testing. A January 25, 2016, report from Bradley Gibson, a criminalist with the Missouri State Highway Patrol Lab, found that 22 tablets seized at 1202 Murphy were alprazolam, a schedule IV controlled substance; 2 tablets were diazepam, a schedule IV controlled substance; a red substance was consistent with red phosphorus and had an aggregate weight of 24.55 grams +/- .05 gram; and a grey substance was consistent with iodine and had a weight of 8.17 grams +/- .05 gram.

On July 6, 2016, Bureau of Alcohol, Tobacco, Firearms, and Explosives (“ATF”) Task Force Officer Robert James conducted a function test of the firearm seized at the defendant’s residence, identified as a Springfield Armory, model XD-40, .40 caliber firearm, bearing serial number US164079, and determined it to be fully operational. ATF Special Agent Brian Fox determined that the firearm was not manufactured in the state of Missouri.

Criminalist Bradley Gibson later tested the seized pseudoephedrine tablets and found that there were 204 tablets containing pseudoephedrine, a schedule V controlled substance, and they contained an aggregate 24.48 grams of pseudoephedrine.

Additionally, the defendant was convicted of the following two felony drug offenses under the laws of the State of Missouri:

On or about January 14, 2002, in the Circuit Court for Jasper County, Missouri, the defendant was convicted of Felony Possession of a Controlled Substance in case number 01CR682021; and

On or about April 28, 2006, in the Circuit Court for Jasper County, Missouri, the defendant was convicted of Felony Possession of a Controlled Substance in case number 05AO-CR-01520-01.

4. **Use of Factual Admissions and Relevant Conduct.** The defendant

acknowledges, understands and agrees that the admissions contained in paragraph 3 and other portions of this plea agreement will be used for the purpose of determining his guilt and advisory sentencing range under the United States Sentencing Guidelines (“U.S.S.G.”), including the

calculation of the defendant's offense level in accordance with U.S.S.G. §1B1.3(a)(2). The defendant acknowledges, understands and agrees that the conduct charged in any dismissed counts of the Indictment, as well as all other uncharged, related criminal activity, may be considered as "relevant conduct" pursuant to U.S.S.G. §1B1.3(a)(2) in calculating the offense level for the charges to which he is pleading guilty.

5. **Statutory Penalties.** The defendant understands that, upon his plea of guilty to Count 2 of the Indictment, charging him with possession of a firearm in furtherance of a drug trafficking crime, the minimum penalty the Court may impose is not less than five years' imprisonment, and the maximum penalty the Court may impose is not more than life imprisonment, to be served consecutively to Counts 3 and 4, a \$250,000 fine, not more than five years' supervised release, and a \$100 mandatory special assessment per felony count of conviction which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class A felony.

The defendant understands that upon his plea of guilty to Count 3 of the Indictment charging him with attempting to commit the offense of manufacturing a mixture or substance containing a detectable amount of methamphetamine, the maximum penalty the Court may impose is not more than 30 years' imprisonment, due to his prior felony drug convictions in the State of Missouri in 2002 and 2006, respectively, as stated in the Government's "Information Charging Prior Offense" (Doc. 16.), not less than six years' supervised release, a \$2 million fine, and a \$100 mandatory special assessment per felony count of conviction, which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class B felony.

The defendant understands that upon his plea of guilty to Count 4 of the Indictment charging him with possession of pseudoephedrine knowing that it would be used to manufacture

methamphetamine, the maximum penalty the Court may impose is not more than 20 years' imprisonment, not more than three years' supervised release, a \$250,000 fine, and a \$100 mandatory special assessment per felony count of conviction, which must be paid in full at the time of sentencing. The defendant further understands that this offense is a Class C felony.

6. **Sentencing Procedures.** The defendant acknowledges, understands and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the Court may impose a sentence either less than or greater than the defendant's applicable Guidelines range, unless the sentence imposed is "unreasonable;"

b. the Court will determine the defendant's applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court may impose a term of supervised release of not more than five years as to Count 2, not less than six years as to Count 3, and not more than three years as to Count 4; that the Court must impose a period of supervised release if a sentence of imprisonment of more than one year is imposed;

d. if the defendant violates a condition of his supervised release, the Court may revoke his supervised release and impose an additional period of imprisonment of up to five years as to Count 2, up to three years as to Count 3, and up to 2 years as to Count 4, without credit for time previously spent on supervised release. In addition to a new term of imprisonment, the Court also may impose a new period of supervised release, the length of which cannot exceed five years as to Count 2, cannot be less than six years as to Count 3, and cannot exceed three years as to Count 4, less the term of imprisonment imposed upon revocation of the defendant's first supervised release;

e. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range;

f. any sentence of imprisonment imposed by the Court will not allow for parole;

g. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office; and

h. the defendant may not withdraw his guilty plea solely because of the nature or length of the sentence imposed by the Court.

7. **Government's Agreements.** Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against the defendant for any federal criminal offenses related to the defendant's attempted manufacture of a detectable amount of methamphetamine and possession of a firearm in furtherance of a drug trafficking crime for which it has venue and which arose out of the defendant's conduct described above. Additionally, the United States Attorney for the Western District of Missouri agrees to dismiss Counts 1 and 5-7 at sentencing.

The defendant understands that this plea agreement does not foreclose any prosecution for an act of murder or attempted murder, an act or attempted act of physical or sexual violence against the person of another, or a conspiracy to commit any such acts of violence or any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge.

The defendant recognizes that the United States' agreement to forego prosecution of all of the criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other criminal violations established by the evidence. The defendant expressly waives his right to challenge the initiation of the dismissed or additional charges against him if he breaches this agreement. The defendant expressly waives his right to assert a statute of limitations defense if the dismissed or additional

charges are initiated against him following a breach of this agreement. The defendant further understands and agrees that, if the Government elects to file additional charges against him following his breach of this plea agreement, he will not be allowed to withdraw his guilty plea.

8. **Preparation of Presentence Report.** The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character and conduct of the defendant, including the entirety of his criminal activities. The defendant understands these disclosures are not limited to the counts to which he has pleaded guilty. The United States may respond to comments made or positions taken by the defendant or the defendant's counsel, and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. **Withdrawal of Plea.** Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may withdraw his pleas of guilty only if the Court rejects the plea agreement, or if the defendant can show a fair and just reason for requesting the withdrawal. The defendant understands that, if the Court accepts his pleas of guilty and this plea agreement but subsequently imposes a sentence that is outside the defendant's applicable

Sentencing Guidelines range, or imposes a sentence that the defendant does not expect, like or agree with, he will not be permitted to withdraw his pleas of guilty.

10. **Agreed Guidelines Applications.** With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is either above or below the defendant's applicable Guidelines range, provided the sentence imposed is not "unreasonable;"

b. The applicable Guidelines section for the offense of conviction for Count 2 is U.S.S.G. §2K2.4, for Count 3 is U.S.S.G. §2D1.1, and for Count 4 is U.S.S.G. §2D1.11. The parties have no agreement regarding a base offense level;

c. The parties have no agreement regarding the applicability of any enhancements applicable to the specific facts of this case and are free to object to the application of any enhancements applied in the presentence investigation report;

d. The defendant has admitted his guilt and clearly accepted responsibility for his actions, and has assisted authorities in the investigation or prosecution of his own misconduct by timely notifying authorities of his intention to enter a plea of guilty, thereby permitting the Government to avoid preparing for trial and permitting the Government and the Court to allocate their resources efficiently. Therefore, he is entitled to a 3-level reduction pursuant to §3E1.1(b) of the Sentencing Guidelines. The Government, at the time of sentencing, will file a written motion with the Court to that effect, unless the defendant: (1) fails to abide by all of the terms and conditions of this plea agreement and his pretrial release; or (2) attempts to withdraw his guilty pleas, violates the law, or otherwise engages in conduct inconsistent with his acceptance of responsibility;

e. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine his applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

f. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw his plea of guilty;

g. The United States is free to seek an upward departure from the Guidelines or a sentence outside the Guidelines range, and the defendant is free to seek a downward variance from the Guidelines or a sentence outside the Guidelines range. The agreement by the parties to permit arguments for a departure or variance from the Guidelines is not binding upon the Court or the United States Probation Office, and the Court may impose any sentence authorized by law, including any sentence outside the applicable Guidelines range that is not “unreasonable;”

h. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant’s sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed, and waives any right to have those facts alleged in the indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of sentence, may consider any reliable information, including hearsay; and

i. The defendant understands and agrees that the factual admissions contained in paragraph 3 of this plea agreement, and any admissions that he will make during his plea colloquy, support the imposition of the agreed upon Guidelines calculations contained in this agreement.

11. **Effect of Non-Agreement on Guidelines Applications.** The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in paragraph 10 and its subsections. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. **Change in Guidelines Prior to Sentencing.** The defendant agrees that, if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by the defendant to be sentenced pursuant to the new Guidelines will make this plea agreement voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. **Government's Reservation of Rights.** The defendant understands that the United States expressly reserves the right in this case to:

- a. oppose or take issue with any position advanced by the defendant at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;
- b. comment on the evidence supporting the charges in the Indictment;
- c. oppose any arguments and requests for relief the defendant might advance on an appeal from the sentences imposed, and that the United States remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and
- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. **Waiver of Constitutional Rights.** The defendant, by pleading guilty, acknowledges that he has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until his guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against him;
- e. the right to compel or subpoena witnesses to appear on his behalf; and
- f. the right to remain silent at trial, in which case his silence may not be used against him.

The defendant understands that, by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that, if he pleads guilty, the Court

may ask him questions about the offenses to which he pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, his answers may later be used against him in a prosecution for perjury or making a false statement. The defendant also understands that he has pleaded guilty to felony offenses and, as a result, will lose his right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

15. **Waiver of Appellate and Post-Conviction Rights.**

a. The defendant acknowledges, understands and agrees that, by pleading guilty pursuant to this plea agreement, he waives his right to appeal or collaterally attack a finding of guilt following the acceptance of this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct; and

b. The defendant expressly waives his right to appeal his sentence, directly or collaterally, on any ground except claims of: (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An “illegal sentence” includes a sentence imposed in excess of the statutory maximum, but does *not* include less serious sentencing errors, such as a misapplication of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government’s appeal, cross-appeal his sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

16. **Financial Obligations.** By entering into this plea agreement, the defendant represents that he understands and agrees to the following financial obligations:

a. The Court may order restitution to the victims of the offense to which the defendant is pleading guilty. The defendant agrees that the Court may order restitution in connection with the conduct charged in any counts of the indictment which are to be dismissed and all other uncharged, related criminal activity;

b. The United States may use the Federal Debt Collection Procedures Act and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine;

c. The defendant will fully and truthfully disclose all assets and property in which he has any interest, or over which the defendant exercises control, directly or indirectly, including assets and property held by a spouse, nominee or other third party. The defendant's disclosure obligations are ongoing, and are in force from the execution of this agreement until the defendant has satisfied the restitution order in full;

d. Within ten (10) days of the execution of this plea agreement, at the request of the United States Attorney's Office ("USAO"), the defendant agrees to execute and submit: (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States makes a recommendation to the Court regarding the defendant's acceptance of responsibility;

e. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of substitute assets and restitution;

f. The defendant hereby authorizes the USAO to obtain a credit report pertaining to him to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence;

g. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the Special Assessment of \$300 by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of his fulfillment of this obligation at the time of sentencing;

h. The defendant certifies that he has made no transfer of assets or property for the purpose of: (1) evading financial obligations created by this Agreement; (2) evading obligations that may be imposed by the Court; or (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that he will make no such transfers in the future; and

i. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars (\$10,000.00) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full forfeiture, restitution and fines imposed by any criminal or civil judgment, and also collect

100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered pleas of guilty shall remain in effect and cannot be withdrawn.

17. **Waiver of FOIA Request.** The defendant waives all of his rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

18. **Waiver of Claim for Attorney's Fees.** The defendant waives all of his claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

19. **Defendant's Breach of Plea Agreement.** If the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw his plea of guilty.

The defendant also understands and agrees that, in the event he violates this plea agreement, all statements made by him to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by him before a grand jury or any tribunal, or any leads from such statements or testimony, shall be admissible against him in any and all criminal proceedings. The defendant waives any rights that he might assert under the United States

Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other federal rule that pertains to the admissibility of any statements made by him subsequent to this plea agreement.

20. **Defendant's Representations.** The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised him of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorneys, or any other party to induce him to enter his plea of guilty.

21. **No Undisclosed Terms.** The United States and the defendant acknowledge and agree that the above stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

22. **Standard of Interpretation.** The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any drafting errors or ambiguities are not to be automatically construed against either party, whether or not that party was involved in drafting or modifying this agreement.
